To: Brittany Murray <BMurray@jcnj.org>

Hi Brittany,

I finally received a response from the OPRA request, albeit a partial response. I attached it for your file so if I need to discuss it tomorrow on the conference call tomorrow I wanted to make sure you had a copy. I was hoping to receive a more thorough response prior to the conference tomorrow, but it took the city months to get these two pages to me.

Thanks,
